

Web Fig. 1: Morphological description *Maconellicoccus hirsutus*
(after Williams & Watson, 1988)

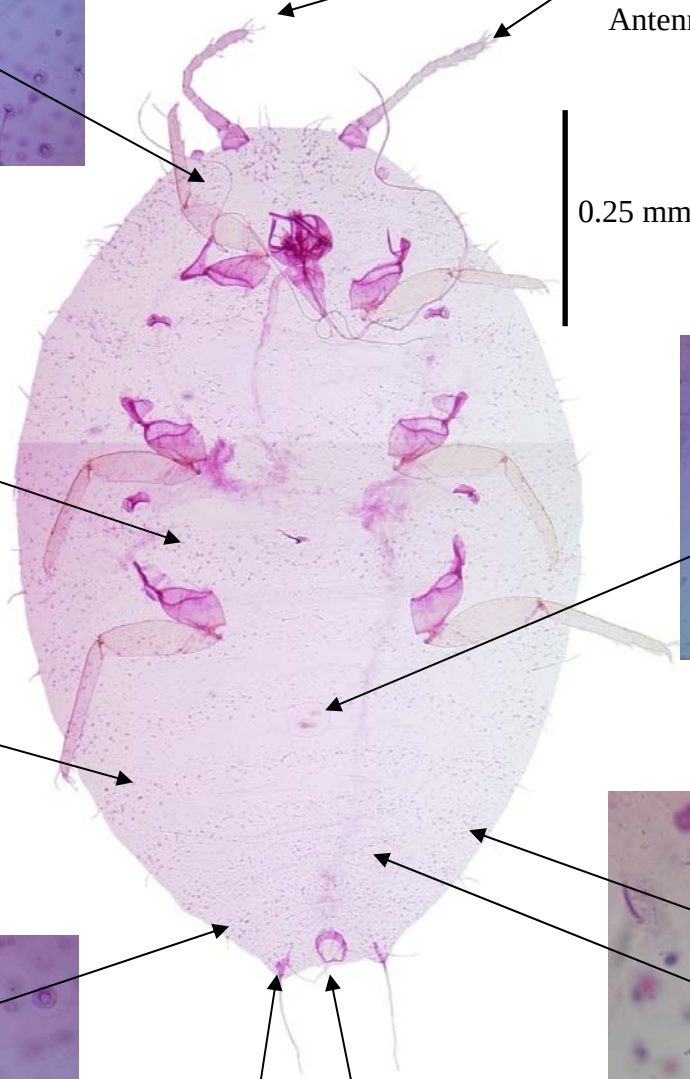

(D) : dorsal
(V) : ventral

Ostiole (D)

Antenna / Antenne (V)

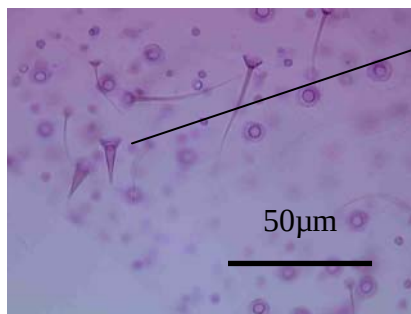

0.25 mm

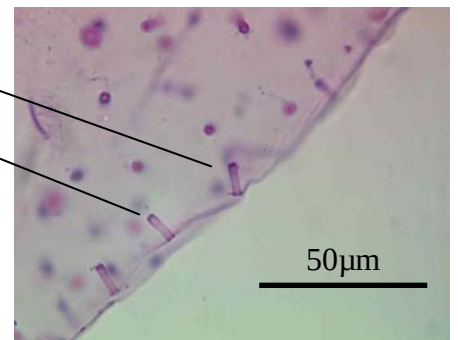

Oral rim tubular ducts
Glandes à collerette (D/V)

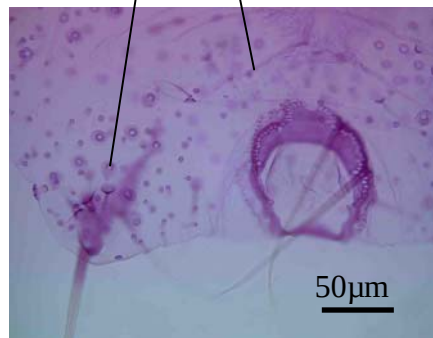

Circulus (V)

Cerarii (D)

Oral collar tubular ducts /
Glandes tubulaires simples (D/V)

Anal ring / Anneau
anal (D)

Anal lobe bar /
Barre anale (V)
